**NexDine**  
THE FRESH IDEA PEOPLE

If you've ever wanted to reward your people for a job well done or just hanging in there during these tough economic times, then give them "LUNCH ON US!"

Sample Voucher (6"w x 3"h)

The "LUNCH ON US" program allows you to purchase vouchers that can be distributed at your convenience. No expiration dates. No restrictions. No limitations. Whatever denomination you want to offer, we'll have the vouchers numbered and marked with a predetermined spending amount. We can even offer vouchers where you don't have to designate the spending amount and NexDine will invoice you for whatever was spent.
